

NOTICE OF MEETING
PLANNING COMMISSION
CITY OF CRISFIELD

A Planning Commission meeting has been scheduled for Monday, April 27th at 4:30 p.m. in the meeting room in City Hall, for consideration of the request from Mark W. Good, 900 Broad Street, to consolidate several parcels of land which are contiguous, but now assessed as separate parcels. Plats are available at City Hall for review prior to the meeting. Per Custis surveying, this is based on the practical use of the property as a boat yard. The existing property lines exist only on paper, and this action, along with a new deed, would make one parcel.

Comments may be submitted in writing, prior to the meeting, or in person at the meeting.

by Authority,

Dean Bozman,

Codes Enforcement
Officer
